Production: ULTRAMARINOS DE LUCAS info@ultramarinosdelucas.com

Production Manager and Technical Direction: Juan López.

Mobile: +34 678 67 35 96. Studio: +34 949 24 79 66

Personnel On Tour: 2 Performers, 1 Technician and 1 Manager on Tour.

Running time of performance: approx. 30 minutes. Around 10 extra minutes of free games with the audience are run by the actors after the show, when the conditions make it possible.

Setting and lighting take approximately 5 hours. 1 hour is needed to take it down. These times can vary depending on the conditions of the theatre and the technical help available.

Lighting

Lighting operation must be able to be operated in conjunction with sound, by the group's own touring technician.

There is a Lighting plan available. It can be altered for the venue with prior arrangement.

Dimmable audience lights are needed for the performance.

A programmable lighting desk with at least 24 channels and the possibility of

submaster programming is required

Lighting equipment:

-18 x PC 1kW, including clamps, safety chains, barn doors and gel frames.

-2 x Profiles 1kW 50 degrees or Source4 750 Watt 50 degrees including clamps, safety chains, and gel frames.

-6 x PAR64 CP62 including clamps, safety chains and gel frames.

-2 x PAR64 CP61 including clamps, safety chains and gel frames.

Filters will be provided by the Company.

Sound

Basic sound equipment is required, with a console ready to use an iPod (provided by the Company) in order to operate sound.

No monitor on stage is needed.

No microphone is needed.

Set

Stage ideal and minimum size:

Width: ideal, 7 m; min. 6 m • Depth (front to back): ideal, 6 m; min. 5 m •

Height: ideal, 5 m. min. 3 m.

Black masking is required.

A black dance floor is needed.

One dressing room is needed with hot water facilities.

The production does not involve any use of flammable substances, smoking or fireworks (pyrotechnics), etc.

Since ***Fish*** is a creation for youngest audiences, we recommend that the capacity of the hall be restricted to maximum 150 persons, adults included.
